- The official currency in Croatia is KUNA (HRK), and it's THE ONLY currency accepted. You can exchange your money at the airport, or in the ferry port, or withdraw *kuna* on ATM machines anywhere on Brač.

(Exchange rate: 1 EURO = 7,5 HRK (approximately))

- Breakfast & dinner is organized in Pučišća, and the lunch is organized in a restaurant depending on fieldwork location of a specific day.

- Indoor working place will be in Pučišća elementary school facilities.

- Meteo info:

This time of year is usually not very cold, with daily temperatures 12 -18 degrees, and little lower night temperatures.

But March on Brač can also be very **windy**, so be sure to bring the appropriate clothes.

Also **the sun** can be very strong, so bring the sun protection (sunscreen and hat).

Check the forecast before packing your luggage!

- There will be a lot of fieldwork, which includes hiking, so be sure to bring comfortable shoes for walking.
